ANNIVERSARY
FACULTY OF
ECONOMIC SCIENCES

Dear All,

I hereby would like to invite you for the Conference, which will be the meeting of the scientific community with practitioners, both national and foreign, whose research interests focus on evolving needs of the economy, with particular emphasis on agriculture.

The Conference invitation is addressed to employees of national and foreign universities as well as scientific institutes involved in broadly defined agribusiness issues, its place in economic theory and evolving conditions or challenges faced by this sector of the economy. We would like to invite representatives from the business area, practitioners, entrepreneurs, delegates from government and self-government. Your participation in the Conference would be a great honour to its organisers.

Scope of the Conference:

1. Contemporary paradigms of agribusiness functions.
2. Development models of agricultural enterprises.
3. Policy towards agriculture and rural areas.
4. Agriculture in a process of economic integration and globalisation.
5. Non-agricultural functions of rural areas.

Yours faithfully,

Associate Professor Jarosław Gołębiowski, PhD

Dean of the Faculty of Economic Sciences
